WHY OUR WORK IS IMPORTANT

52M Americans are affiliated with military service
Service Members, Veterans and Families. Most are thriving. Some still struggle.

9M Veterans are age 65 or older
Many still suffer from the wounds of war. Many face financial and housing risks.

4M Veterans are service disabled
They need access to healthcare and many are underemployed.

40K Veterans remain homeless
Every Veteran deserves a place to live. Some struggle with addictions.

20K Service Mbrs leave annually
The transition from uniform can be extremely difficult for most families.
